BEST ENGLISH MEDIUM SCHOOL IN GHAZIABAD

It is the aim of SDGS to provide the best possible education to its students at minimal cost, establishing itself as the best school in Ghaziabad. Our primary aim is to develop in students qualities of integrity, honesty, trust, tolerance, and compassion, to promote a spirit of inquiry, to foster a scientific temper within the bounds of humanism, to help students become meaningful parts of their environment, and to know that courage and industry are duly rewarded as responsible global citizens.

SDGS MISSION

Shambhu Dayal Global School prepares students to understand, contribute to, and succeed in a rapidly changing society, thus making the world a better and more just place. We ensure that our students develop both the skills that a sound education provides and the competencies essential for success and leadership in the emerging creative economy. We also lead in generating practical and theoretical knowledge that enables people to better understand our world and improve conditions for local and global communities.

"FROM OUR LEADERS: DRIVING FORWARD WITH PURPOSE"

Rakesh Garg -Manager

Dear Parents, Teachers and My lovely students I hope this message finds you in good health and high spirits. As the School Manager, I am delighted to welcome you to another exciting academic year at Shambhu Dayal Global School. Our dedicated team of educators and staff is committed to providing a safe, nurturing, and intellectually stimulating environment for all our students. We believe that every child has the potential to excel, and we are here to support them on their educational journey.

This year, we are focused on fostering a culture of creativity, critical thinking, and collaboration. We are continuously enhancing our curriculum to ensure that it meets the evolving needs of our students in a rapidly changing world. I encourage you to actively engage with the school community, attend parent-teacher conferences, and participate in school events. Your involvement plays a crucial role in your child's success.

Let's work together to make this academic year a memorable and successful one for our students. Thank you for entrusting us with your child's education. Together, we can help them reach their full potential.

DR. JYOTSNA SHARMA

Education is today's commitment for tomorrow. Gone are the days when the goal of education was merely to deliver the instructions. Today we have entered in the 'creative age'. The 21st century skills such as civic literacy, global awareness, cross cultural sensitivity and effective communication skills are seamlessly woven into SHAMBHU DAYAL GLOBAL SCHOOL regular curriculum transactions with the aim to proliferate what is called "human excellence".

SHAMBHU DAYAL GLOBAL SCHOOL aims at providing its students 'child centric' education .In order to help their overall development SHAMBHU DAYAL GLOBAL SCHOOL committed to impart quality education for the holistic development of the children. The school's approach illustrates the inter relationship of all the disciplines of knowledge, promotes social and reflective thinking, and fosters the ability to face the myriad challenges of life comfortably. .As a part of this ongoing journey towards excellence, the almanac has been designed so that it can serve more than its routinely understood purpose as an almanac and a rule book, by additionally becoming an effective communication channel between the parents and school.

THE SDGS BULLETIN

"TRAILBLAZERS OF TRIUMPH"

STUDENTS ACHIEVEMENTS

This year, our students have truly shone in the academic arena, demonstrating their dedication and hard work. We proudly recognize the recipients of our Academic Excellence Awards, who have consistently excelled in their studies and set a high standard for their peers. These students have achieved top grades across all subjects and have shown a remarkable commitment to learning. Congratulations to all our awardees for their outstanding academic achievements!

ARTS AND CULTURAL ACCOMPLISHMENTS

Celebrating Our Young Artists!

We believe in nurturing the creativity and imagination of our students. Recently, our talented young artists from Grade 1 and 2 showcased their incredible skills and creativity in art competition held in **Learners International School, Noida**.

From vibrant paintings to imaginative drawings, the students poured their hearts into their artwork, demonstrating a wide range of styles and techniques.

"IGNITING MINDS, INSPIRING FUTURES"

Shambhu Dayal Global School placed a strong emphasis on Project-Based Learning (PBL) to foster creativity, critical thinking, and practical knowledge among students. Here are some of the exciting PBL activities which were conducted for Grade 1 and 2 during the session 2024-25:

Students were engaged in activities such as planting saplings in the school garden.

Projects were designed to be hands-on and collaborative, allowing students to apply their knowledge in real-world contexts. They not only enhanced their academic learning but also nurtured important life skills such as communication, collaboration, and problem-solving.

Shambhu Dayal Global School demonstrates the school's commitment to providing a holistic and engaging learning experience for its students.

THE SDGS BULLETIN

"PROUD REFLECTIONS: CELEBRATING OUR JOURNEY"

Our Annual Cultural Festival was a vibrant celebration of diversity and creativity. **The Food Fiesta** organized by the students of **Classes 1 and 2** was a delightful event filled with fun, learning, and lots of tasty treats. This exciting celebration was designed to introduce young learners to different types of food, promote healthy eating habits, and encourage creativity in the kitchen. The festival was a testament to our school's commitment to fostering cultural appreciation and artistic expression.

Our Annual Day was a grand celebration of talent, creativity, and achievement. **Shambhu Dayal Global School** celebrated its Annual Day with great enthusiasm and grandeur on **October 5, 2024**. The event was a spectacular showcase of talent, creativity, and the school's vibrant culture. The theme for this year's celebration was **"Technology"**, reflecting the school's commitment to inclusivity and harmony. The event kicked off with a mesmerizing dance performance by our students.

Our Annual Sports Day for Classes 1 and 2 was an exhilarating event filled with fun, energy, and a spirit of healthy competition. This special day is one of the most anticipated events of the school year, where our young athletes have the chance to showcase their physical skills and enjoy a range of activities designed just for them.

An Unforgettable Journey to KidZania Noida!

We are delighted to share the exciting adventure our students had on their recent visit to KidZania Noida! It was a day filled with learning, exploration, and endless fun.

This trip was not just an excursion, but a journey into a world of possibilities. It opened our students' eyes to different professions and inspired them to dream big. We are incredibly proud of their enthusiasm and the way they embraced this unique learning experience.

"PIONEERING LEARNING WITH INNOVATION AND TECHNOLOGY"

This academic year, we have embraced various innovative teaching methods and technologies to enhance the learning experience for our young students in Classes 1 and 2. Our goal is to create an engaging, interactive, and supportive environment that fosters curiosity and a love for learning. Here are some of the key initiatives we have implemented:

Project-Based Learning (PBL):

Project-Based Learning was integrated into the curriculum to encourage hands-on, experiential learning. Students work on various collaborative projects that requires them to explore real-world problems and develop solutions. This approach promotes critical thinking, creativity, and teamwork while making learning more meaningful and relevant.

Augmented Reality (AR) and Virtual Reality (VR) and 3D lab:

AR and VR technologies were introduced to create immersive learning experiences. Students can explore 3D models, take virtual field trips, and interact with digital simulations that bring abstract concepts to life. These technologies provide a deeper understanding of subjects and spark students' curiosity.

Introducing NFC Cards for Students

In our continuous effort to embrace technology and enhance the educational experience, we are excited to announce the introduction of NFC (Near Field Communication) cards for all students. These smart cards are designed to streamline various processes within the school, ensuring a safer, more efficient, and convenient environment for our students, parents, and staff.

Benefits of NFC Cards for Students

Attendance Management: Students will now be able to tap their NFC cards at designated readers as they enter and exit the school premises. This system will automatically record attendance, reducing administrative workload and ensuring accuracy.

THE SDGS BULLETIN

"CULTIVATING WELL-BEING FOR FUTURE LEADERS"

Extracurricular Activities

We offer a wide range of extracurricular activities that cater to various interests and talents. From music and art to science clubs and debate teams, these activities provide students with opportunities to explore their passions, develop new skills, and build lasting friendships. Participating in extracurriculars also helps students balance their academic workload with leisure and recreation.

At our school, we recognize that fostering the well-being of our students is fundamental to their success both inside and outside the classroom. Our holistic approach to education emphasizes the importance of physical, mental, and emotional health, ensuring that our students are well-equipped to become the future leaders of tomorrow. Here are some of the key initiatives we have implemented to cultivate well-being.

Comprehensive Health Education Our curriculum includes comprehensive health education that covers a wide range of topics such as nutrition, physical fitness, mental health, and personal hygiene. These lessons are designed to provide students with the knowledge and skills they need to make informed decisions about their health and well-being.

Safe and Supportive Environment

Creating a safe and supportive school environment is a top priority. We have implemented policies and practices that promote respect, inclusivity, and kindness. Anti-bullying programs, peer support groups, and a strong sense of community are integral parts of our school culture.

THE SDGS BULLETIN

"GUIDING LIGHTS OF EXCELLENCE"

Shambhu Dayal Global School is committed to continuous professional development for its faculty. During the session 2024-25, teachers participated in a variety of workshops and training sessions aimed at enhancing their teaching skills and staying updated with the latest educational practices.

This year, our dedicated teachers have continued to pursue excellence in education through various training programs and workshops. Their commitment to professional growth not only enhances their teaching skills but also enriches the learning experience for our students.

- Inter House Literary Activity
- Special Assembly
- Annual Function
- Deep Utsav (Cultural activity)
- Annual Sports Day
- Excursion grade 1 and 2
- Founder's Day
- Adventure Camp

"NURTURE THEIR POTENTIAL: PARENTAL INSIGHTS FOR GROWTH"

PARENTAL WISDOM

Parents, play a crucial role in their child's early education and development. For students in Grades 1 and 2, this period is foundational for building key skills and a love for learning. Here are some insightful tips and advice to help, support for their child's growth and nurture their potential.

Establish a Routine: Consistency is a key to develop good study habits. Establish a daily routine that includes a specific time for homework, reading, and play. A structured schedule helps children understand the importance of balancing their responsibilities with leisure activities.

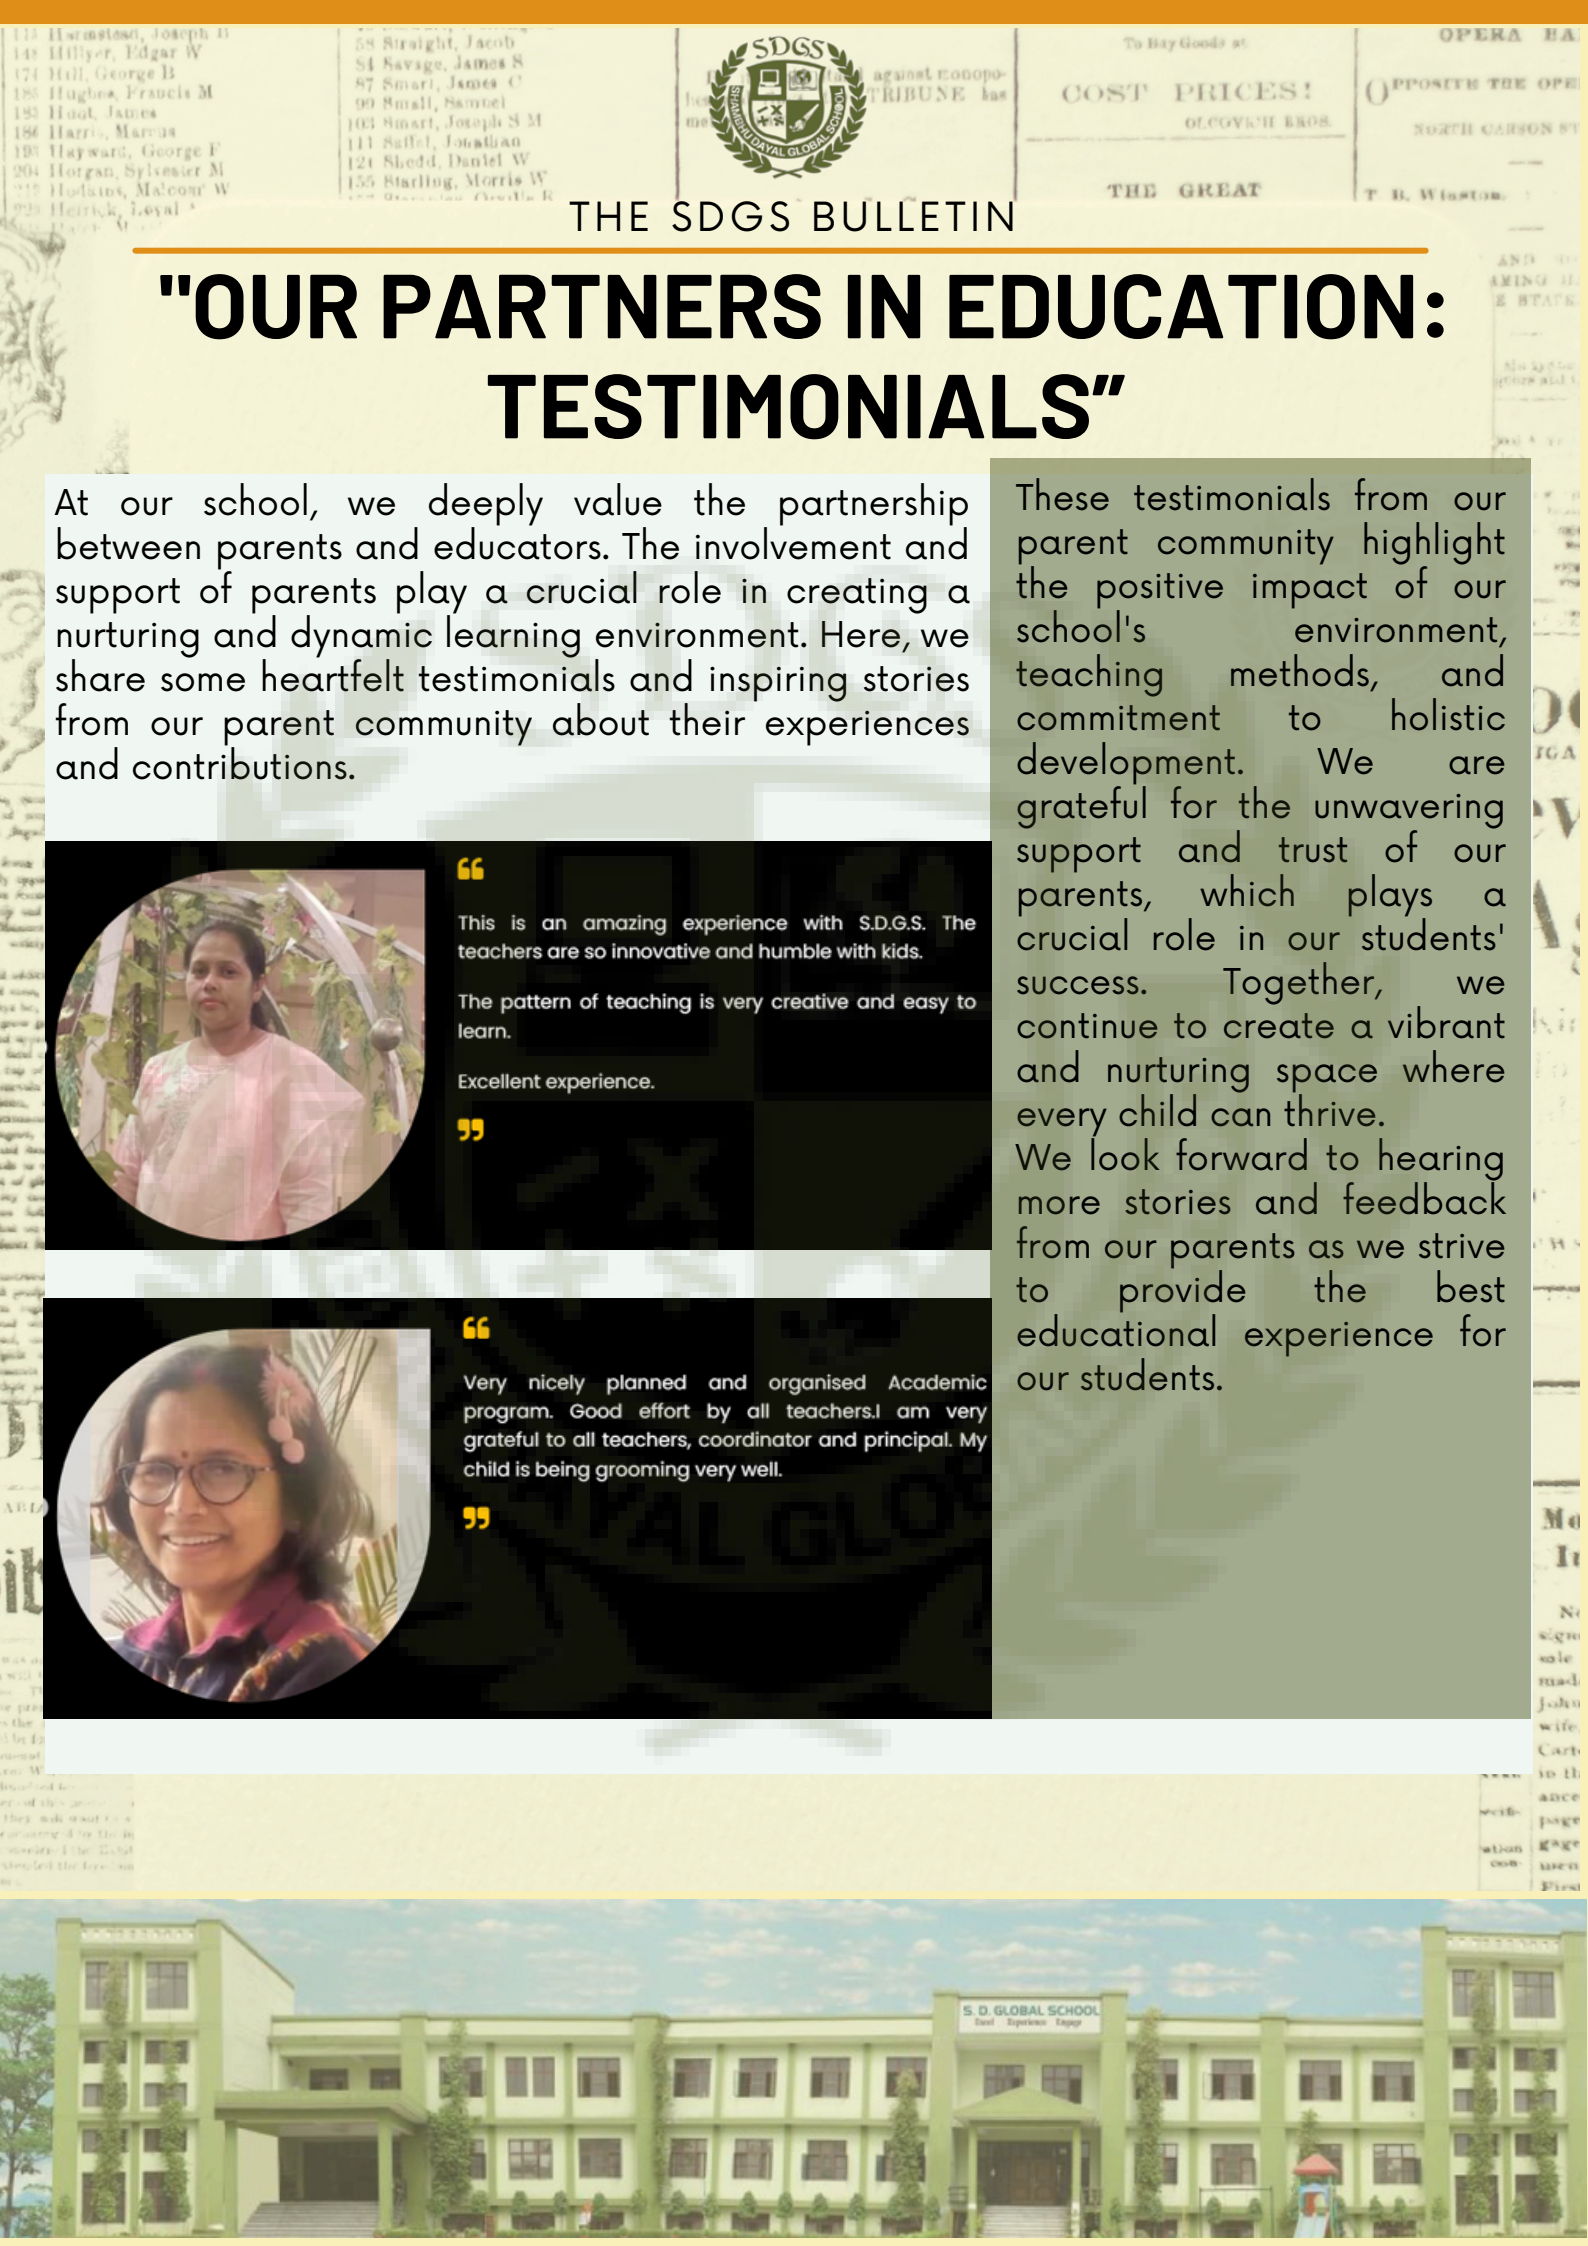

Create a Learning-Friendly Environment: Set up a dedicated space at home where your child can focus on their studies. Ensure this area is quiet, well-lit, and free from distractions. Stock it with essential supplies like books, pencils, paper, and educational tools to make learning enjoyable and accessible.

Foster Curiosity and Exploration: Encourage your child to ask questions and explore their interests. Whether it's a nature walk, a science experiment, or a creative art project, hands-on activities stimulate curiosity and a desire to learn. Engage in activities that align with their interests and introduce new experiences to broaden their horizons.

Model Lifelong Learning: Children learn by example, so demonstrate a positive attitude towards learning. Share your interests, read books, and engage in educational activities together. Show that learning is a continuous and enjoyable journey.

By following these tips and being actively involved in your child's education, they can help them to build a strong foundation for future success. Remember! their support, encouragement, and love are the most important tools for nurturing their potential. Together, let's make learning an exciting and enriching experience for our young learners!

THE SDGS BULLETIN

"OUR PARTNERS IN EDUCATION: TESTIMONIALS"

At our school, we deeply value the partnership between parents and educators. The involvement and support of parents play a crucial role in creating a nurturing and dynamic learning environment. Here, we share some heartfelt testimonials and inspiring stories from our parent community about their experiences and contributions.

“

This is an amazing experience with S.D.G.S. The teachers are so innovative and humble with kids.

The pattern of teaching is very creative and easy to learn.

Excellent experience.

”

“

Very nicely planned and organised Academic program. Good effort by all teachers. I am very grateful to all teachers, coordinator and principal. My child is being grooming very well.

”

These testimonials from our parent community highlight the positive impact of our school's environment, teaching methods, and commitment to holistic development. We are grateful for the unwavering support and trust of our parents, which plays a crucial role in our students' success. Together, we continue to create a vibrant and nurturing space where every child can thrive. We look forward to hearing more stories and feedback from our parents as we strive to provide the best educational experience for our students.
