

REPORT OF THE ACTIVITIES CONDUCTED IN THE MONTH OF SEPTEMBER 2024

SUBJECT	CLASS 1	CLASS 2
ENGLISH	<p style="text-align: center;">Describing word (Adjectives) activity</p> <p>This activity aims to encourage students to appreciate and recognize positive qualities in their peers and foster a positive and inclusive classroom environment. It promotes kindness and positive relationships among students. It boosts self confidence and self-esteem through positive affirmations.</p> 	<p style="text-align: center;">Antonym quest:</p> <p>In this engaging activity, "Antonym Quest," students will be divided into small groups. Each group will receive a set of flashcards containing words. The objective is for the students to identify and state the opposite (antonym) of each word shown on the flashcard. One student from each group will pick a flashcard and read the word aloud, and the other members will work together to come up with its antonym. This activity encourages teamwork, vocabulary building, and reinforces the understanding of antonyms in a fun, collaborative way. The group with the most correct answers wins the quest!</p> 

<p>HINDI</p>		<p>हिंदी शिक्षा और साहित्य के क्षेत्र में बहुत महत्वपूर्ण भूमिका निभाती है। १४ सितम्बर को सम्पूर्ण देश में हिंदी दिवस मनाया जाता है इस उपलक्ष्य में छात्रों ने कक्षा में कई तरह की गतिविधियों द्वारा हिंदी दिवस को मनाया ।</p> 
<p>MATHS</p>	<p>2D and 3 D Shapes Identification and Classification (Quiz) To develop critical thinking and analytical skills. This Quiz aims to assess students' understanding of basic 2D and 3 D shapes, promoting foundational math skills and spatial awareness.</p> 	<p>2D and 3 D Shapes Identification and Properties Virtual 3D lab Visit: A virtual tour of a 3D lab using online resources to explore the solar system in 3D. Discussion of the different features of each planet and their moons.</p> 

UOI
